

# USF TRANSFER GUIDE

*Begin at Joliet Junior College!  
Finish at the University of St. Francis!*

## Environmental Science

To prepare for a major in Environmental Science at the University of St. Francis, transfer students may select courses at Joliet Junior College equivalent to those at the University. This guide lists the program requirements for Environmental Science at the University of St. Francis with the course equivalencies available at Joliet Junior College. Note: A maximum of 70 s.h. transfers to USF. It is not necessary to complete all JJC courses equivalent to USF courses prior to transferring to the University of St. Francis. Students completing the Associate degree should consult the catalog and with an academic advisor at JJC.
