## FirstSearch Search Page

The screenshot shows the 'ArticleFirst Advanced Search' interface. At the top, there are navigation tabs: Home, Databases, Searching (selected), Results, and Resource Sharing. Below these are search options: Basic Search, Advanced Search (selected), Expert Search, and Previous Searches. A 'Go to page' dropdown is also present. The main search area includes a search box with 'library' entered, a 'Keyword' dropdown, and a 'Search' button. Below the search box are options for 'Limit to:' (Year, Full text) and 'Limit availability to:' (Subscriptions held by my library, Library Code). At the bottom, there is a 'Rank by:' dropdown set to 'No ranking'. Green callout boxes provide instructions: 'Browse for titles containing specific terms.' points to the search box; 'Switch to different First Search Database.' points to the database dropdown; 'Click to browse similar topics.' points to the search button; 'Limit search to USF holdings only.' points to the 'Subscriptions held by my library' checkbox; 'Select how to search.' points to the 'Full text' checkbox; and 'Choose the order your results are listed.' points to the 'Rank by:' dropdown.
