Dear USF student/alumnus(a):

We’ve been working hard to bring top employers and alumni to Saints Recruiting Saints and they are looking forward to meeting you! This is your chance to network and learn about internship, job shadow, and employment opportunities. With employers and alumni eager to meet you, you have a great opportunity ahead of you, so let's be sure you're ready the day of the event.

Saints Recruiting Saints  
Thursday, April 10th  
Pat Sullivan Recreation Center  
9:00 a.m. – noon  
www.stfrancis.edu/careers

How to make the most of a Job Fair:

- Research the employers and apply online ahead of time.
- Make a good impression in a way that a resume cannot - with a smile and a handshake.
- Prepare questions for the employers - shows interest and knowledge about the company.
- Ask them about their career paths! One of the goals of this event is to bring alumni back to campus to share their experiences.
- Prepare a resume that presents your background clearly and concisely.
- Estimate the number of employers that you plan to visit and bring twice that many resumes. We recommend at least 15 copies of your resume.
- Prepare and practice a 60-second commercial that introduces yourself, your background and why you are interested in working with the company. For example:

  Hello, my name is Jane Doe. I am currently a senior at the University of St. Francis majoring in business and accounting. I completed an internship with Kraft Foods last summer and have also volunteered with a tax assistance program for underprivileged families. I am looking for a position with an accounting firm and hope you will consider me for your team.

- Dress and act professionally. You may be meeting your new boss for the first time! Your purpose is to make a good impression and create an opening for further contact.
- Talk to someone at each table. Use your 60-second commercial and ask questions you have prepared that demonstrates knowledge in your field.
- Take business cards/company materials and ask them what your next step is - May you follow up and when should you follow up?
- THANK them for their time.

The Saints Recruiting Saints Career Fair will be the place for you to make a lasting impression on recruiters who make hiring decisions. Please prepare and feel free to reach out to the Career Success Center for advice and assistance. We can be reached by phone at (815) 740-4295 or email careerservices@stfrancis.edu.

Wishing you much success!

The University of St. Francis is proud to have more than 44,000 alumni across the nation. Whether you earned your degree at USF’s main campus in Joliet, IL., our satellite campus in Albuquerque, N.M., at an off-campus site or online, we’re glad you’re a Saint! If you’re interested in events, networking, career opportunities, mentoring current students or providing them with internships, the Alumni Office can help.

USF CORPORATE EDUCATION PARTNER PROGRAM
The University of St. Francis has a 35-year year history of success in working with organizations to meet the educational needs of their employees. Through designing innovative curriculum, delivering programs at the workplace and providing online access, USF provides high-quality programs at a time and place convenient to adult student learners.

USF CAREER SUCCESS CENTER
The University of St. Francis Career Success Center is a team of dedicated, caring professionals committed to providing excellent career-related resources, programs, services and opportunities that build confidence and job search skills. We serve as a connecting point between students, faculty, alumni and employers in an increasingly diverse and globally influenced job market. Stop by the registration or exit table to connect with a representative.

USF SOLUTIONS
A Resource Center for Business and Community Partnerships at the University of St. Francis Solutions supports the University of St. Francis’ goal of being a responsive and effective partner in shaping the region’s future and economy by connecting university resources to community needs and providing its students with real world, problem-solving experiences within a liberal arts framework.

USF GRADUATE ADMISSIONS
Are you considering a master's degree? The University of St. Francis offers 15 graduate degree programs including the newest program beginning this summer, the Master of Science in Higher Education. Many of our programs are available online and all are designed to fit into the schedule of a working adult. Stop in Tower Hall N104 to talk with an admissions counselor and find out what program will meet your needs.
