Descriptive Summary

Collection Title: University Academic Departments

Series Title: Science Departments

Collection Number: 20

Series Number: 200

Extent: 2 Boxes: 1 Manuscript Box, 1 Flat Box; 3 linear feet

Abstract:
This collection contains a small amount of materials from the various science departments at the University of St. Francis, including the Biology, Chemistry, Physics, Natural Science, Geology, Home Economics, and the Health and Physical Education Departments. The records include correspondence, newsletters and reports from 1937 to 2008.

Physical Location: G12 – Section 12 – Shelf 3

Language: English

Processor: Sarah Boehm, Archives Student Worker
