Robotics and First Aid
Boy Scout Merit Badge Workshops

University of St. Francis, Joliet, IL
Rainbow Council Partner - Cub Scouts & Boy Scouts

Robotics Workshop
Monday, Feb. 18, 2013 (Presidents’ Day) - CLOSED
Saturday, April 13, 2013 - CLOSED
NEW DATE ADDED: SATURDAY, MAY 18, 2013
8:30 am - 4:30 pm
Instructor: Dr. James Derk, Registered Robotics Counselor
Cost: $55
Explore the world of robotics and use LEGO® elements that integrate key STEM concepts (science, technology, engineering & math) as you work as a team to create a robot and complete your Robotics Merit Badge in one day!

First Aid Workshop* - CLOSED
Saturday, March 9 and 16, 2013 (must attend both)
Times: March 9th: 8:30-3:30 pm; March 16th: 8:30-Noon
Instructor: Lynann Murphy, RN, MN, Adjunct Nursing Instructor
Cost: $65
*Eagle Scout requirement. First aid is a life skill important for every Scout. With knowledge of first aid, a Scout can provide immediate care to someone who is hurt.

Workshops cover all badge requirements and will be held at University of St. Francis, Donovan Hall, 500 Wilcox Street, Joliet. Scouts are asked to bring a snack and sack lunch. Space is limited; minimum registration required to run programs. Workshop registration deadline is one week prior to start date.

Reserve your spot today at: (815) 740-3600 or email solutions@stfrancis.edu
