State Authorization Reciprocity Agreement (SARA)

Illinois has been accepted as part of the State Authorization Reciprocity Agreement (SARA) through the Midwestern Higher Education Compact (MHEC). The Illinois Board of Higher Education is the Portal Agency for the State Authorization Reciprocity Agreement, and has the authority and responsibility to coordinate SARA activities for the state.

National Council for
State Authorization
Reciprocity Agreements

*A voluntary, regional approach
to state oversight of distance education*

The State Authorization Reciprocity Agreement is an agreement among member states, districts and territories that establishes comparable national standards for interstate offering of postsecondary distance education courses and programs. It is intended to make it easier for students to take online courses offered by postsecondary institutions based in another state.

States that participate in **SARA** will have an * after the name of the state.
