

5 WAYS TO STAY ENGAGED WITH USF

1. Attend our many events!

Our Alumni are part of our past, present and future. We would love to have you share your stories, memories and advice at our many events throughout the year. If you haven't been back in a while, we suggest you start by visiting the school and take a tour of any of our campuses. Make plans to attend Homecoming & Reunion and reconnect with others from your class or sign up for any of our events that take place both on-campus and off-site

2. Join a Networking Group!

Alumni Networks meet four times per year in person and through a conference call. We are looking for representatives spanning the many years of USF and the many locations of our graduates.

3. Volunteer!

USF always needs a few extra hands around campus. Whether it is helping at an event such as commencement or Homecoming, presenting/speaking with students, or mentoring a current student in our Student Alumni Mentoring (SAM) program, we would love to have you back on campus.

4. Make a Gift!

Alumni have always been strong friends and supporters of USF and we are so grateful that you think of USF in your annual giving. There are many ways to support USF from buying a commemorative brick on the Quad to honoring a favorite professor or setting up a scholarship. There are numerous ways to customize your gift, which are very appreciated.

5. Join the Board!

The USF Alumni Association Board of Directors is the governing body of the association as a whole. We host four meetings per year (two full board meetings and two committee meetings). Attendance at a minimum of 51% (3) per year is required as well as financial support of the Francis Annual Scholarship Fund that directly supports our current students. Members are advised to select membership on at least one committee (constitution, nominating and membership, alumni engagement, homecoming and reunion weekend, scholarships, and young alumni and student engagement). Active support of alumni events and programs is expected of Alumni Board members for a three-year term.
