

ARE YOU INTERESTED IN MATH OR SCIENCE? HAVE YOU THOUGHT ABOUT TEACHING?

Do you learn by doing? Are you looking for a career that will fulfill your dreams and benefit the community? If you answered "yes" to one or both of these questions, then USF has the perfect opportunity for YOU!

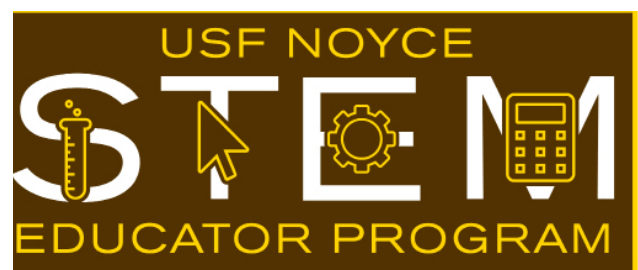

SCIENCE SCHOLARS AND LEADERS PROGRAM (4 YEAR PROGRAM)

Students who are academically talented, low income and choose to pursue a biology or biochemistry degree may be eligible. The program includes peer mentoring and leadership, research, family engagement and career-building. Scholarships up to \$10,000 a year per student. Contact bwhitlock@stfrancis.edu for more information.

NOYCE STEM EDUCATOR SCHOLARS PROGRAM (AVAILABLE IN JUNIOR YEAR)

Do you want to teach math or science? Students interested in a BS in Biology or Mathematics and an M.Ed. in Secondary Education in our 4+1 program may be eligible. The Noyce STEM Educator Scholars will gain experience through STEM teaching, service learning, research and conference opportunities. They will benefit from dedicated advising support for academic and professional success. Faculty and alumnae/i mentors will guide Scholars through their first two years of teaching. Up to \$12,000 per year in tuition scholarships. Contact USFNoyce@stfrancis.edu for more information.
