

Dear USF Student:

Financial aid can make a difference in your life, but with financial aid comes certain responsibilities. This letter is related to the Federal Direct Stafford and/or the Federal Direct Graduate PLUS Loan you are accepting you're your attendance at University of St. Francis. Included are steps to complete your Federal Entrance Counseling for all student borrowers, which includes the Borrower's Rights and Responsibilities, and completing the Master Promissory Note (MPN). Please read through these carefully, as we will explain what steps you must complete for the materials provided.

Step 1: First time Federal Direct Loan borrowers at USF are required to complete an "entrance counseling" session prior to the disbursement of loan funds. The counseling session is designed to provide the student with information about the loan program and his/her rights and responsibilities as a borrower.

Step 2: Borrowers need to complete the Master Promissory Note (MPN). You will complete the MPN electronically through the Direct Loan website. Please keep in mind that the MPN is a legal document and must be completed for each loan type or your loan funds will not disburse to your student account. Follow the steps on the website and on the additional page below to complete the MPN process.

Step 3: Go to the Department of Education website: <https://studentloans.gov>. This site contains a lot of valuable information regarding student loans. You may want to bookmark it for future reference. Your welcome screen will look like the picture found below.

The requirements will take about 20-30 minutes to complete and you will need to use a web browser with Adobe Acrobat Reader. To begin, you will need to sign in using your FSA Student ID and FSA ID Password that you created. In the center of the website, locate where it says Complete Entrance Counseling. You will be prompted to answer a series of questions to complete the session. Print out the confirmation sheet when the session is finished for your records. The University of St. Francis Financial Aid Services department will receive your completed information in approximately 4-5 business days from Direct Loans. Please call our office toll-free at 866-890-8331 if you have any questions or need assistance in completing this requirements or other questions regarding your Federal Direct Loans.

Sincerely,
