WELCOME

Welcome to Joliet, University of St Francis.

We would like to welcome you as an official USF agent representative. We look forward to working with you and building towards a beneficial partnership. This handbook is designed to provide you with key information to help you navigate students through their application process to our IEP, undergraduate and postgraduate programs. Our aim as a liberal arts Catholic university is to welcome a community of learners challenged by Franciscan values and charism, engaged in a continuous pursuit of knowledge, faith, wisdom, and justice, and ever mindful of a tradition that emphasizes reverence for creation, compassion and peacemaking. We strive for academic excellence in all programs, preparing women and men to contribute to the world through service and leadership.

We hope that you find this information useful.

Best,

International Student Recruitment Team
UNIVERSITY OF ST FRANCIS

WHY CHOOSE USF?

There are many reasons why students choose to study with us. You can rest assured that when you are recommending USF, you are offering an institution with a high quality education and unique student experience.

SMALL CLASS SIZES

At the University of St. Francis, students enjoy a small number of students in their classes so faculty can give them the attention they need to be successful. Classes usually have a ratio of 20:1 in Gen Eds and 15:1 in their major classes. All classrooms are interactive electronic rooms where you can access the internet, multimedia and extensive software for interactive learning.

FRIENDLY FACULTY

Faculty serve as leaders and role models for students, challenging their academic abilities and providing them with a wealth of practical experience! Faculty welcome classroom discussion and questions. They work with students one-on-one to advise them on which classes to take and direct them in their career exploration.

INTERNSHIPS

Internships provide the opportunity for USF students to integrate work and formal education with experts in his/her major field of study, to test the chosen career path, and to be involved in activities like those of full-time employees. USF has had students intern with BP Amoco, Bank of America, Caterpillar, Chicago Merchandise Mart, EJ&E Railroad, Federal Express, Hewitt & Associates, Kraft Foods, US Securities & Exchange Commission, US Steel, and many others.

MENTORS

Alumni mentors are partnered with students whose education and career goals closely match the alumni mentor's experience to provide direction and potential career connections.

PERSONAL ATTENTION

Small class sizes and quality instructors ensure that each student at USF is given individual attention and not just treated as a number.

CULTURAL EXPERIENCES

Students will benefit from interaction with American students and other international students during their day-to-day activities. There are a variety of cultural activities that students can get involved in during their time at University of St. Francis. Some groups and activities include the International Club, The Black Student Association, Asian American Student Association and Unidos Vamos Alcanzar (United We Will Achieve). Throughout the year, the University of St Francis also provides field trips to culture hotspots in Chicago and the surrounding area.

FACILITIES

USF's historic campus is in an area of architecturally distinct houses, with some of the most beautiful houses in the city. USF facilities offer state-of-the-art amenities such as campus Wi-Fi, SMART electronic classrooms, a SIM Nursing Lab, a Digital Audio Recording Arts studio and online library and research collections.

ACCREDITATION

The University of St Francis is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. Other accreditations include:

- › Illinois State Board of Education
- › Council on Social Work Education
- › Council on Accreditation of Parks, Recreation, Tourism and Related Professions (COAPRT) - Accreditation Review Commission on Education for the Physician Assistant, Inc.
- › Commission on Collegiate Nursing Education
- › Accreditation Council for Business Schools and Programs - National Council for Accreditation of Teacher Education

ATHLETICS

International students are eligible to participate in sports at University of St Francis and athletic scholarships are available. University of St Francis believes that involvement in athletics not only promotes a union of the body, mind, values and spirit, but also helps to develop the personal qualities that will enhance one's college years and endure through later life. University of St Francis also has over 50 intramural programs that all students can participate in.

WHY CHOOSE USF?

Career Center and Alumni Resources work hand in hand to provide resources, CV reviews and tailored advice so that our graduates leave us ready for the world of work.

COLLEGE OF ARTS AND SCIENCES

In keeping with the Catholic Franciscan nature of the University, the College has as its broadest mission the education of the whole person intellectually, morally, spiritually, emotionally, and socially. It does this by challenging our students to confront foundational questions such as the purpose and meaning of life, including one's relationship with others and with God. It prepares its students for careers in specific fields and promotes the integration of liberal arts with professional preparation. Our award winning faculty provide a rigorous and supportive academic environment in small classes and labs, with personal attention and guidance, built on a curriculum designed to develop critical thinking, analytical skills, creative problem solving, and effective communication skills. CAS is a special place for students to learn in an atmosphere is filled with support, encouragement, and expression.

COLLEGE OF BUSINESS AND HEALTH ADMINISTRATION

The College of Business and Health Administration prepares professionally competent and ethically responsible graduates for management and professional positions in business or health related fields. The College emphasizes excellence in teaching, supportive interactions with students, and a broad base of theoretical and practical knowledge. Faculty include both full-time and adjunct faculty who are professionals with expertise in the courses they teach. In addition, we are committed to continuous quality improvement, applied scholarly contribution, and assisting the business and health care communities. The School of Business is accredited by the Accreditation Council for Business Schools and Programs (ACBSP), a leading specialized accreditation association for business education supporting, celebrating and rewarding teaching excellence. The University of St. Francis is accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools

COLLEGE OF EDUCATION

The College of Education is committed to providing engaging and high-quality educational programs that prepare educators to meet the challenges in today's schools. Our programs are rooted in the Franciscan values of respect, compassion, service, and integrity and our faculty are devoted to providing learning experiences that will allow educators to realize their fullest potential as they develop an understanding of students, serve the community, and grow professionally. The University of St. Francis is accredited by both the Higher Learning Commission (hlcommission.org) and the Illinois Board of Higher Education (ihbe.org). College of Education programs are accredited by the National Council for Accreditation of Teacher Education (ncate.org) and approved by the Illinois State Board of Education (isbe.net).

LEACH COLLEGE OF NURSING

At the University of St. Francis Leach College of Nursing, we continue to excel in the provision of quality academic nursing programs that are exciting and rigorous at all degree levels. We produce nurse leaders who work in various spheres and levels of society, nurses changing the world and the lives of their patients daily. Our pre-licensure, face-to-face program provides students with a supportive foundation for nursing. All our post-licensure programs (including the R.N.-BSN) and all graduate programs are delivered in a mostly online and/or hybrid format to provide ongoing educational opportunity for working registered nurses to become advanced practice registered nurses. Our experienced, vibrant faculty are enthusiastic and utilize diverse, interactive, current, and evidence-based educational technology to facilitate learning for our students. Our highly acclaimed simulation center provides students with progressively challenging simulated experiences in a supportive learning environment.

LIVE ON CAMPUS

The residential living options at the University of St. Francis are varied and unique. As a department, we are committed to providing a safe and educational living environment. One of the things we pride ourselves on is the *community* students feel while living on campus.

There are three residence living areas with several types of rooms. The USF residential experience is something students from around the globe are thrilled to be a part of.

For more information on life as a student at USF, please view our online campus tour.

MARIAN HALL

Marian hall provides a great experience for all students in a traditional residence hall community environment.

TOWER HALL

Tower hall is fantastic for upperclassmen students who are looking for a strong community, a sense of privacy in their bedroom, and a low cost.

MOTHERHOUSE

Motherhouse is a great place for upperclassmen students who enjoy comfortable suite style living, and being close to several popular places on campus.

APPLYING TO USF

It is recommended that international students who want to begin in January, complete and submit all admission documents by October 15. Students who want to begin in August, should complete and submit all admission documents by June 15.

ENGLISH LANGUAGE PROFICIENCY FOR INTERNATIONAL APPLICANTS

University of St. Francis recommends all undergraduate and graduate international applicants to submit a TOEFL, Pearson’s PTE, IELTS, SAT or ACT. If you do not submit a test score, or your scores are below the required proficiency level you will automatically be considered for conditional admission. If you have taken an English proficiency test (TOEFL, IELTS or Pearson’s PTE), scores can be submitted by emailing a scanned copy of the score report to intladmissions@stfrancis.edu. SAT or ACT scores must be officially submitted to University of St. Francis.

CONDITIONAL ADMISSIONS

Students who are eligible for conditional admission are admitted to the English Language for Academic Purposes program (ELAP) at University of St. Francis and must meet English proficiency requirements before being offered full admission to the university. Eligible students will receive an I-20 for English Language training and may receive an updated I-20 for academic study after receiving full admission.

If you receive conditional admission, you will be offered admission to University of St. Francis English Language for Academic Purposes program (ELAP). Any student admitted conditionally will take an English proficiency exam upon arrival at University of St. Francis. The English placement exam will determine how many ELAP courses you will need to take before beginning a full academic semester of standard classes.

The English placement exam will determine how many ELAP courses you will need to take before beginning a full academic semester of standard classes.

You are only required to show proof of support for dependents that will be entering on F-2 visas.

HEALTH INSURANCE

It is the University’s requirement that all full time students must have health insurance coverage. All students are automatically enrolled in USF’s insurance plan, and all international students are REQUIRED to have the USF Health Insurance. It is very important for all international students to have health insurance because health care in the United States can be very expensive and health insurance helps negate the cost. The 2020-2021 insurance cost is approximated to be \$1,880 for students.

IMMUNIZATIONS
Along with health insurance, students must meet all required immunizations. Please have all students intending to enroll submit their immunizations no later than November1st for Spring and June 1st for Fall. Immunizations at USF are available with cost.

The following vaccines are given in accordance with guidelines set forth by the Centers for Disease Control and Prevention (CDC).

All requirements are to be completed prior to the start of the semester in which the To Do List item is assigned. Upon arrival at the University of St. Francis in Joliet, IL, a tuberculin skin test will be given by the staff at our Wellness Center.
