SELECTIVE SERVICE REGISTRATION
2020-2021

Student's Name:_____ USF ID or SSN:_____

A review of your Student Aid Report (SAR) determined that Selective Service did not confirm your registration or exemption status.

To receive Federal student aid, a person who is required to be registered with the Selective Service must be verified as being registered. Since your registration or exemption status has not been confirmed, you need to provide the Office of Financial Aid with proof that you are registered. If you cannot show proof of registration, you must contact Selective Service at (847) 688-6888 or access the Selective Service website at https://www.sss.gov to resolve this matter before you can receive any Federal student aid.

Please respond below with the required information to proceed with the review of your application and awards. If you have any questions concerning this matter, contact the Financial Aid Services for assistance.

Sincerely,

Financial Aid Services
