

# Study Abroad with **USF** Partner Universities

Salzburg, Austria

Whether you're looking for a South American, Asian, or European adventure, USF's partner universities across the globe make studying abroad a once-in-a-lifetime opportunity not to be missed.

USF's partner universities are located in South America, Europe and Asia and offer study abroad opportunities in fall, spring and summer. Find the country you most want to travel to and explore the opportunities our university partners and affiliates offer. All of the destinations in this brochure offer a full load of courses in English with the exception of Avila, Spain and the summer language immersion programs.

## STEPS TO STUDYING ABROAD

- Think about which study abroad programs you might be interested in.
- Consider the semester you would like to study abroad (spring, summer or fall).
- Meet with the International Programs Office early (freshman year if possible) to explain the study abroad process and timeline.
- Meet with your academic advisor to determine the best times/locations to study abroad and which courses (GenEd/Major) you might take abroad.
- Fill out the Study Abroad Application.
- Follow application deadlines for most programs: May 15 (Fall), February 15 (Summer), and October 15 (Spring)
