### **MEDICAL RELEASE-CONSENT FOR TREATMENT**

In the event a student at the University of St. Francis needs emergency medical treatment, a hospital will not administer treatment without the expressed permission of the student's parents or legal guardian. The University is sending this form to obtain your permission to act in your behalf in the event of any medical emergency.

Please check one:

\_\_\_\_\_ I do give the University of St. Francis permission to act in my behalf with regard to providing emergency hospital or clinic treatment for myself/son/daughter, and also authorize the University Health Service to arrange or provide for medical care. I hereby waive liability against the University of St. Francis for University provided transportation to hospital, doctors office, clinic or such location as may be necessary and for providing emergency medical care or administering minor medicine provided through the University of St. Francis Health Service.

## IMMUNIZATION HISTORY

**Student's Name:**

**Last**

**First**

**Birth Date:**

PLEASE READ CAREFULLY: Illinois law requires incoming students born on or after January 1, 1957 to document proof of immunity to measles, rubella, mumps and tetanus/diphtheria. This may be done by one of the following methods:

- 1) Attach a copy of the student's Certificate of Child Health Examination (obtain from high school health records).
- 2) Provide comparable documentation from prior college or university.
- 3) Provide verification of immunizations taken from the doctor's (MD or DO) records or other health care provider.

IMMUNIZATION: Please provide the month, day, and year for dose administered. The day and month is required if you cannot determine if the vaccine was given prior to the minimum interval or age.

	MO/DAY/YR	MO/DAY/YR	MO/DAY/YR	MO/DAY/YR	MO/DAY/YR
DIPHTHERIA/TETANUS/PERTUSSIS, (within 10 years). <b>If International Student, 3 doses required*</b>					
MMR (2 doses) of Measles, Mumps and Rubella					
TB skin test (Mantoux) <b>For students who live on campus ONLY</b>	Date 1 <sup>st</sup> test	Result mm	Date 2 <sup>nd</sup> test	Result mm	Chest x-ray date Result
Varicella/Chickenpox (2 doses) or immunity by lab titre. <b>Diagnosis of disease is not acceptable. Nursing students ONLY</b>					
Hepatitis B (3 doses) <b>Nursing students Only</b>					
Meningitis (after the age of 16)
