University Success Scholars

Support for the Success
of first-generation students

It's clear that your path to the future begins with a college education.
The University of St. Francis is committed to your success.

You will be part of a network of support for first-generation students (parents do not have a 4 year college degree). It's ALL FREE!

Accelerate your academic success through these University Success Scholars programs:

Saints Guiding Saints

Your peers and faculty members will help guide you through the college experience.

Leadership Institute

Activities, workshops and courses help you develop your leadership skills and philosophy.

Summer Academy

Live on campus before classes begin and smooth your transition to college life with a taste of academic activities, college life workshops and cultural experiences.

Special Opportunities:

Scholars have an opportunity to participate in tutoring sessions, cultural field trips, volunteer service projects, and social events to keep you on the path to success.

Here's how to become a USS participant:

1. Be a first-generation student whose parents have not earned a four year college degree.
2. Complete an application and call 815-740-5025 with any questions.
3. Make a commitment to participate in monthly USS meetings (three per semester).

As a University Success Scholar, we will help you:

- Understand college expectations
- Meet academic and social demands
- Participate in engaging experiences
- Prepare for leadership

University Success Scholars (USS) Application
