

WHAT TO DO IF YOU ARE EXPOSED TO SOMEONE WITH SYMPTOMS OF OR A CONFIRMED CASE OF COVID-19.

You can be around others:

- At end of quarantine;
- 10 days from your positive test result;
- OR if you develop symptoms, 10 days from the start of COVID-19 symptoms AND 24 hours with no fever without the use of fever-reducing medications AND other COVID-19 symptoms are improving.***

* Fully vaccinated persons = 2 weeks after final vaccine dose.

**Shortened quarantines are up to local health departments.

***Exception if severe COVID-19 or weakened immune system.
