Yes, it is mandatory for you to attend. You will receive a brief schedule in mid-July for New Student Welcome Weekend. Check-in for residents and commuters will take place Friday, August 16, 2024. Welcome Weekend will begin on Friday and the first session of the Foundation 1 course also meets during Welcome Weekend. ### SHOULD MY PARENTS ATTEND NEW STUDENT WELCOME WEEKEND WEEKEND?

Your families are welcome but not required to attend on Friday. We understand that some families are not able to attend because of work schedules, travel challenges or other conflicts. Therefore, on Friday, there will be sessions that you and your family can attend together if they are on campus. The Saturday sessions are for students only.

### HOW DO I EXPLORE AND APPLY FOR ON-CAMPUS HOUSING?

Information about living on campus and the housing application can be found at [stfrancis.edu/student-life/residents](http://stfrancis.edu/student-life/residents). The application and \$50 housing deposit may be submitted there—students are encouraged to submit their application and deposit before June 1.

### HOW ARE ROOMMATES ASSIGNED? IS IT POSSIBLE TO PICK MY ROOMMATE?

Roommates are assigned based on their answers to questions found on the housing application. Those individuals with similar interests and lifestyle habits are placed together to the best of our ability using the information from your application. Students may request a roommate by creating a roommate profile and roommate group within the housing system. In order to be placed together, both individuals must list the other as their desired roommate. Both students must submit their roommate preference by June 1.

### WHEN ARE HOUSING ASSIGNMENTS MADE?

Staff members begin making housing assignments for first-year and transfer students in May and continue through August. Letters that include room placement are mailed in June and July. Please contact the Office of Accessibility Services (OAS) if you feel housing accommodations are needed due to a disability, including a request for an air conditioner. Questions about housing assignments may be directed to the assistant director of Residence Education at [resed@stfrancis.edu](mailto:resed@stfrancis.edu).
